

FROM QUOTES TO FINISH COATS

A Homeowner's Guide to
Hiring a Professional Painter

WHEN HIRING AN EXTERNAL OR INTERNAL HOUSE PAINTER, IT'S IMPORTANT TO ASK THE RIGHT QUESTIONS TO ENSURE QUALITY, PROFESSIONALISM, ACCOUNTABILITY AND A SMOOTH PROCESS.

Making the decision to have your home painted, is one of those upgrades that seems simple, but a successful outcome requires planning and preparation.

When deciding to embark on engaging a professional to paint your home (wether it's that you are looking to sell, rent, renovate or refresh), there are **several considerations** to take into account and **questions you should ask**.

There are certainly **many benefits** that come from a professional internal or external house paint.

- Improves the appearance instantly
- Protects your home
- Increases property value
- Keeps your home well maintained
- Covers imperfections
- Easier cleaning and maintenance
- Improves comfort & Mood
- Long-terms savings

This guide has been prepared to assist you with the important questions to ask your prospective painter, so you have peace of mind in making the right decision.

EXPERIENCE & CREDENTIALS

- How long have you been painting houses professionally?
- Are you licensed and insured?
- Do you have references or a portfolio of past work?

SCOPE & PREPARATION

- What is included in your quote?
- How will you prepare the surfaces before painting?
- Will you repair any damaged areas (e.g., wood rot, caulking)?

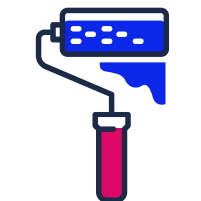

PAINT & MATERIALS

- What type and brand of paint do you use?
- How many coats of paint will you apply?
- Will you use primer?
- Do you assist with colour choices?

TIMING & PROCESS

- When can you start, and how long will the job take?
- What's your process for protecting landscaping, windows and areas not being painted?
- How do you handle weather delays?
- How do you handle access if I'm not home during the day?

COSTS & PAYMENT

- Can you provide a detailed, written estimate?
- Is your quote fixed or subject to change?
- What is your payment schedule?
- Are there any additional charges I should expect?

GUARANTEES & SATISFACTION

- Do you offer a warranty or guarantee for your work?
- What is your policy if I'm not satisfied with the job?
- Do you provide a final walk-through before payment?
